About This Collection

Here's a thinking process:

1. Analyze the Request:

- Input: Scrambled site captions, a gallery title "berna ifsa"
- Task: Write a short, enticing description (60-90 words)
- Constraints:
- Coherent, engaging paragraph
- Tease models, setting, action
- Don't list captions mechanically
- Reuse at least 20% of key words from captions (names, nicknames, distinctive terms)
- Translate the rest as needed
- End with natural invitation to view full gallery via link above
- Plain text only, no markdown, no lists, no quotes
