About This Collection

A provocative mix of adult drawings, manga pages, and commissioned art turns ear-focused encounters into a stark, unsettling fantasy. Shylily and Max appear alongside Makoto's Earfuck Manga Comic, while Lacey and Xitzal anchor another compilation filled with exaggerated characters, bold linework, and intimate action. Credits such as iwbitu, r. Darksidevisual, and DisturbedMonkey add distinct voices to the collection, which also includes furry, guro, scat, and role-play themes. Follow the link above to view the full gallery.
