## About This Collection

Eva Ionesco's penthouse gallery gathers intimate nude photography shaped by the sensuality of Irina Ionesco's art. Set against New York and the theatrical worlds of circus and theater, the images move through vintage moments associated with Penthouse, Playboy, and Telegraph. Gelatin silver prints from 1974 and a 1992 Femme tatouee work add a collectible archival character, while references to Jacques Bourboulon and Gina La Marca suggest a wider circle of artists and models.
