About This Collection

Dive into the wild world of Jumpy Jackal, the furry artist whose gay anthro creations push every boundary. This steamy collection blends cozy Animal Crossing vibes with Beau the villager, Fortnite's Wendell, and even a monstrous deathclaw, all rendered in signature yiff style that rule34 fans crave. Expect bold cocks, tempting asses, and raw gay porn energy across every frame of this hentai-worthy artwork. If it exists, there's definitely porn of it here, so click the link above to view the full gallery now.
