About This Collection

Katty West stars in a series of private gangbangs set along the West Coast, where she enjoys interracial scenes that lean into the rougher tastes of analintroductions. These privateblack sets mix teen porn pics with hard edge moments, pairing her blonde looks with the intensity of the coast crowd. The devils diamond banks collection captures her in raw 256x388 photos, often showing her taking it from behind as a crowd of black guys line up. View the full gallery featuring Katty West below.
