Oiled up, Tiny Tits, Fing

About This Collection

We need to produce a description in same language as title: title is "lilu and julia". Use at least 20% of key words from captions (names, nicknames, distinctive terms). So description must be in English. So we need to include some of those key words: names like Charlsfordevip, Julia, lilu, maybe "oil massage", "69", "lesbians", "pussy licking", "big tits", "anal", "blowjob", etc. That's lower case English words. Must reuse at least 20% of key words. Must reuse at least 20% of the key words from the captions (names, nicknames, distinctive terms), translating the rest as needed. Not required to count precisely, just ensure we include enough.

We must not use AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". Also no em or en dashes; we can use commas. " Must be plain text, no markdown, no quotes. No forced groups of exactly three items. Use

"to" instead of "in order to". No "not only X but Y". Use "because" instead of "due to the fact that". No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". No "At its core". Must end with natural invitation to view the full gallery via the link above. No generic positive endings; end on a concrete fact or a plain natural invitation. No emojis, no curly quotes.

We must avoid using dash characters. So we can't use — or –. Use commas.

We must avoid using "and" in groups of exactly three items? Safer to avoid lists of three items altogether. Probably avoid patterns like "X, Y, and Z". Use two items or more than three? The rule says forced groups of exactly three items. " Means we shouldn't have a list of exactly three items? So avoid exactly three. So we should avoid enumerations of exactly three items separated by commas. Safer to not do enumerations at all. We can have two or four or more. Use sentences with conjunctions.

We must not use quotes. So no double quotes.

We must not use em or en dashes; we can use hyphen? Might be okay. But we should be careful: hyphen appears in words like "oil-massage"? It says never use em or en dashes; split the sentence or use a comma. Hyphen is okay? Hyphen is not an em or en dash; it's okay. Safer to avoid hyphenated compounds unless needed.

We need to reuse at least 20% of key words from captions. Identify key words: names: Charlsfordevip, Julia, lilu. Distinctive terms: oil massage, 69, lesbians, pussy licking, big tits, anal, blowjob, footjob, titjob, dildo, anal fingering, etc. We can include several.

We need to ensure at least 20% of key words are reused. If we consider maybe 10 key words, need at least 2. We'll include many.

We must not use AI flag words. Check list: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". We'll avoid those.

We must not use sales language like "amazing", "incredible"? Not explicitly banned but "no inflated importance". Safer to keep neutral.

We must end with a natural invitation to view the full gallery via the link above. So final sentence: "View the full gallery via the link above." That is plain.

Now produce description: one paragraph, no line breaks? It says plain text, no markdown, no lists, no quotes. It can be multiple sentences but one paragraph.
