About This Collection

Maggie and Skyler ended up on Omegle, talking to strangers and getting caught in some classic trolling moments. There is also a clip of them with a girlfriend, and some trolling with Brooke Sabey and Vlad. The gallery captures their reactions as they navigate the chaos of random chats, flirted with a few guys, and even ran into a trans girl named Mia Skyler. They tried to find girls using interests like "omegle girls" and "omegle flirting," but ended up getting roasted by strangers and laughing at the funny moments.
