About This Collection

Federica Pellegrini nude appears in a daring collection that mixes unlimited action with the sultry vibe of Vampires in Italian genre cinema from the late sixties to seventies. The images echo the Sexual (R)evolution and Sex Panic themes explored in academic papers, and the 2018 Babepedia archive offers free galleries for curious viewers. Monika White and Oriana Pellegrini pose for Your Daily Girl, while a Playboy Slovenia spread adds a bold edge. See the full gallery at the link above.
