About This Collection

Step into the scandalous world of Mozhdah Jamalzadah, the Muslim popstar once branded a slut and told to burn in hell over porn claims. The heat rises at a beach group sex scene where a teen does first porn in a sinful vid reminiscent of Krissy Lynn's escapades. Afghanistan's Oprah sheds her conservative image as she bares it all, from tantalizing feet shots to nude revelations alongside Azita Ghanizada. Explore the forbidden desires and whispered accusations that fuel this adult collection. View the full gallery via the link above.
