About This Collection

Step into the world of Omoani, where anime girls face their most desperate moments with raw vulnerability. From diaper wetting to car messing, these scenes unfold in everyday settings—waitress shifts, classroom lessons, naval duty—as heroines struggle against their swelling limits. Restrained or left squirming, their accidental messing captures the exquisite tension of omorashi. With segments from Part 13 to Part 24, including Magic of Stella and KanColle, each full version delivers authentic desperation. The newest Omoani galleries await—click the link above to explore them all.
