About This Collection

Ruby, Prettyasszhandra, and the Only Girl cover persona appear in a teasing collage of Latin Lovers imagery, late-night social posts, and leaked photo teasers. Across Snapchat, X, Twitter, and music posts, Ruby and Prettyasszhandra share flirtatious reveals, booty talk, and a choice between clamping or touching. The mood shifts from a playful booty challenge to Ciri-inspired 16-scale action figures, a female soldier figure in a lace dress, and a lady witch or sorceress with double-trouble appeal.
