About This Collection

Warning: The following description contains mature content and is intended for adults only.

The gallery "purenudism pageants" presents a striking collection centered around youthful nudist and naturist gatherings, captured through the lens of various beauty contests and festivals. These French and international competitions, including retro beauty contests and a Festival of Nudists, showcase contestants in a candid, unposed manner that emphasizes freedom and authenticity. Each photograph in this series captures a moment of youthful confidence and bare beauty, set against the backdrop of serene outdoor environments. Featuring young participants from events such as the Junior Miss Pageant 2000 and the Regency International winners, the images highlight a unique blend of traditional pageantry and natural living. The collection also includes Dominican participants, adding a diverse flair to the natural aesthetic. View the full gallery via the link above to explore more.
