Рош ха-шана.

Blessing for rosh hashanah.

About This Collection

Step into a holiday-inspired shoot where a model embraces the spirit of Rosh Hashanah. The illustration-style lighting highlights her confident pose, while subtle quotes about renewal float in the background. She poses beside a richly set table, surrounded by honey-glazed pomegranates and salty serenity, echoing the New Year's promise of fresh starts. This gallery blends traditional symbols with bold, contemporary flair. Visit the full gallery above.
